Specialist in Good Clothes for Men

How Do You Judge a Good Clothing Store? There is no doubt a majority of men who know and think about the matter intelligently judge by quality. The reason is that quality is the one thing that most men can't forget; it's the one thing that won't wear out; it's the construction that goes into the garment; it's the satisfaction that you get here that keeps this business growing so rapidly that it's the wonder of the clothing business today.

It keeps our old customers coming year after year and their friends' friends after them, but you'll have to come here to realize it all—the new stocks, the greater varieties, the better qualities—above all, the reasonable prices, the very great values.

Our Offer in Suits at \$12.50, \$15.00, \$20.00 and \$25.00
Has No Equal Any Where Else in Ada

"Beacon" Hats are \$3

Made by Knox. Have no equal at the price. Many \$3.50 and \$4.00 Hats are no better, if as good. We know this to be so through careful investigation.

Manhattan Shirts

Is it necessary that you should pay from \$2.50 to \$5.00 for Shirts to order when you get the MANHATTAN SHIRTS that fit and wear better for less money?

\$1.50 to \$2.50

You should see the 25c SILK TIES. They look half-dollarish.

STATE LOSES PIPE LINE CASE

FEDERAL COURT SAYS STATE
CANNOT INTERFERE WITH
GAS LINES.

St. Louis, Mo., April 7.—"No state may erect and maintain impassable barriers against interstate commerce along its borders," declared the decision in the Oklahoma pipe line case handed down today by the United States Circuit court of Appeals.

The plea of former Gov. Charles N. Haskell, Attorney General Charles West and others, that the interlocutory injunction issued by the circuit court of the eastern division of Oklahoma, and forbidding them to hinder construction of interstate pipe lines for natural gas, is overruled in the decision, and the order for its issue by the lower court affirmed.

Case begun by Cowhan.

The case instituted against the Oklahoma officials in the name of W. F. Cowhan and now pending in the courts, will probably come to trial without further preliminaries.

Lawyers stated tonight that the opponents of natural gas exportation from Oklahoma might now ask the supreme court of the United States for a writ of certiorari, and if this was granted the plea for dissolving the injunction would be reviewed. Otherwise it is doubtful if the present decision can be appealed, and nothing remains but to fight out the matter in the courts, when the case itself comes to trial. According to the present status, the conservation and operation of lines, even when they cross the public highways controlled by the Oklahoma state government, and when they are used for exporting natural gas to be used in communities situated in other states can not be interfered with.

Beard Bible Class Entertained.

Saturday evening, April 1st, the Misses Banks entertained the Beard Bible Class in their home on 14th and Broadway.

The following invitation had been sent out to a number of friends:

BEARD BIBLE CLASS.
"Come, all good Fools and Foolesses, The world, by old decree, Grants us one day to fool away— Then come and foolish be. Old King Misrule shall gayly reign, With Laughter, Mirth and Glee; When April first shall come again, Come celebrate with me."
Misses Daisy and Elizabeth Banks
14th and Broadway
Saturday Evening at 8 o'clock.

The party was fun from beginning to end. The guests were invited to the dining room, where they were asked to order lunch from a menu which appeared to present some very tempting dishes, but when the order was filled, it always proved a sell. However, after this tantalizing sham luncheon, delicious cream and cake was served.

SHERIFF'S FORCE CAPTURE BOOZE

This morning, about 10 o'clock, Bill Roland, a negro, took a barrel of bottled beer from the depot and had it hauled to his house in the "flats." A little later Sheriff Mitchell heard about it and accompanied by Deputy Prince and Constable Adair he made an investigation. They soon had their man and his goods in custody and escorted both to the court house. Seven or eight bottles were found in a grip, presumably for convenience in handling this afternoon when a good crowd would be on the streets. The negro is in jail pending some disposition of his case. Verily the way of the bootlegger, white or black is becoming a rough one around here.

Litchfield Makes Bond.

Wynnewood, Ok., April 7.—C. M. Litchfield, who has been detained at the county jail in Pauls Valley since January on conviction of the murder of W. L. Collins at Wynnewood last July, Friday made the \$3,000 appeal bond set by the district court, and returned to Wynnewood. His bond is indorsed by P. N. Kerr, J. F. Meyers, W. N. Rice and N. D. Duffield.

E. W. Hardin returned from Gainesville and Denison last night. He says that after seeing those places he is better satisfied with Ada than ever, and would rather own property here than in either of them.

WOMAN ACQUITTED OF MURDER CHARGE

Fort Worth, Tex., April 8.—Mrs. Lizzie Brooks is free. At 9:26 yesterday morning the jury brought in their verdict, a verdict which made her a free woman once more. It read:

"We, the jury, find the defendant in this case not guilty on the grounds of insanity."

At the time, many commented on the fact that Mrs. Brooks was not in the courtroom. Not a few waited in the courtroom after the jury had been discharged with the hope that the defendant would make a formal appearance before the court; but in the end they were doomed to disappointment. Later, this was explained. The night previous, Judge Simmons informed B. S. Nebant, a brother of the defendant, that it would not be necessary for Mrs. Brooks to put in an appearance in court on the following morning, as she could be notified in ample time if she were needed.

The news was telephoned to the Brooks home immediately after the verdict had been read. Her little daughter answered the call, and a moment later, it is said, she sped upstairs to the room where her mother was resting, with the tidings.

Trial Sensational.

The trial began last Monday, April 3. Two local law firms, Roy & Young, and Scott & McLean, appeared

for the defense; while County Attorney Baskin and his first assistant, Ben Baldwin, represented the prosecution. From the outset, the case showed promise of becoming one of the most remarkable trials in the annals of country-wide jurisprudence. Not only from the standpoint that it was a woman that invoked the protection of the "unwritten law," but also from the fact that from the beginning the courtroom was flooded and overflowed with frantic womanhood. These crowds were present at the

trial from start to finish; that is, up to the time that the case went to the jury.

Mrs. Brooks' Statement.

To a Record representative, Mrs. Brooks last night gave out the following statement:

"I'm thankful, deeply thankful. Something seem to have cleared away from before my eyes; and everything seems to look different." Here she smiled a little, her face lit up. "I want to express my gratitude to those good people who have helped me with sympathy and prayer. This helped me to go on; it was the one word I needed. I'm so awfully tired. Last night, I retired at 10 o'clock, and slept like a little child. About 3 in the morning I was awakened by a coughing spell. I got up and watched till daylight. My acquittal did not surprise me; for down in my heart I felt reassured of God, and I have the same reassurance now. As before, I intend to live here in Fort Worth with my children."

She stopped, put her hand on the sturdy shoulder of her son, Clarence, a smile brightening her face. It was a smile of great content, of greater peace.

BLUE FOUND GUILTY ON LIQUOR CHARGE

The first jury trial in the police court held yesterday afternoon resulted in a conviction. Jim Blue was the defendant charged with unlawful possession of liquor. The police had made the capture Saturday and at the trial yesterday the jury gave him 30 days and \$50. Notice of appeal was given.

MAY PATTERN AFTER ADA METHODIST CHURCH

Lieutenant Governor J. J. McAlester, W. J. Horton, Chris Springer, T. T. Stevens and J. J. Walsh, an architect, are in from McAlester today making a careful inspection of the Methodist church. Gov. McAlester is the executor of the will of Tim Barnett, who left \$30,000 with which to build a Methodist church at North McAlester. It is probable that it will be patterned largely after the edifice at Ada.

Prof. Dunham, principal of the Union Valley school, was in to see the News yesterday afternoon. His school will close in three weeks more and as he has taught continuously for twenty-one months, thinks he is entitled to just a little vacation when this term is out. It is not often that a teacher manages to keep employed that long a period at a stretch.

C. M. Chauncey left this morning for McAlester to attend the meeting of the Grand Lodge of Odd Fellows. This will be the last meeting of the old Indian Territory grand lodge as the order has voted to consolidate with the grand lodge of Oklahoma. Mr. Chauncey has filled the office of Grand Secretary for two years, and has given good and faithful service to the order.

PALM SUNDAY AT THE FIRST METHODIST CHURCH

"The Significance of the Palms; or, The Foundation of Joy," will be the subject of the morning sermon, at 11 o'clock tomorrow by the pastor of the First Methodist church. "The Palms" will be sung by Prof. Fentem, and the choir will sing "Christ is King."

At 7:30 p. m. the subject of the sermon will be, "The Pharisees on Palm Sunday; or, Planning our Lives in Harmony With the Truth."

The Sunday school will meet at 9:45 a. m., the Junior Epworth League at 2:30 and the Senior League at 6:45.

The mid-week service for Wednesday evening will be called in on account of the revival services at the Christian church. The pastor earnestly recommends and requests the Methodist people to attend these services. The day is past when intelligent people try to build up their own church by "knocking" others. Brother Blalock is a broad-minded, cultured Christian minister, whose preaching will benefit my people, and I want them to hear it as much as possible. And may many souls surrender to Jesus Christ and be saved.
E. M. SWEET, Jr., Pastor.

J. O. Tipton and wife returned from Sulphur this morning. On his late trip Mr. Tipton visited Wichita Falls and other places but says Ada is the nicest place on the map.

**SHERWIN-WILLIAMS
PAINTS & VARNISHES**

There is no season of the year so fitted for brightening up as the present. There is no better way to improve the appearance of your house inside or out than by the use of paints and varnishes. By keeping your house well painted it will last longer and look better if Brightening Up Finishes are used. Sherwin-Williams Paints and Varnishes are the greatest help in housecleaning. By touching up the shabby spots in the house, such as floors, furniture, woodwork, with paint or varnish or stain, the house can be made to fairly shine inside. Housecleaning will give more satisfaction than ever before. We are agents for Sherwin-Williams Paints and Varnishes, and will be glad to give you figures on "Brightening Up" your place, inside or out. Come in and talk the matter over.

"THE FLAWLESS MIRROR"

R. A. Blalock at Christian Church
Speaks on the Unerring
Reflector.

At the meeting being conducted at
the First Christian church R. A. Bla-
lock spoke on "The Flawless Mirror."
It was a plea for the casting of the
life according to the word of God. He
showed that the one who sees so
much adversely in his neighbor to
be talked of thus creating dissent
and disturbance, will, if seeing his
own true reflector before the word
of God, find themselves so occupied
with straightening their own lives,
as to preclude the possibility of trou-
ble making. To the evangelist's mind
no man in hell is meaner than the

one who unbridles the tongue and as
James says "start the fires of hell."
More churches have been ruined by
a wagging tongue habitually given to
fault finding, inuendo, spreading of
dissent and objecting through the
medium of some "leading" member
than the devil himself. Its time to
shut up or get out. No wonder
James ran out of descriptive ad-
jectives when he got to the tongue; he
had been stung himself by its vil-
lence.

Looking into this mirror of di-
vine truth, we see ourselves as we
are. We use a mirror for this pur-
pose, it shows us our physical de-
fects thus giving us a chance to
overcome them. In the same way the
Holy Bible earnestly, prayerfully
studied will show us our spiritual
defects, and no man can ever become
a strong man spiritually until he
learns his weaknesses and how to
overcome them.

Again looking into this spiritual
mirror we see the good that is in
our neighbor, and the bad that is
in our selves. This would reverse
the view point of many people, for at
present most of us see all that is
bad in our neighbor and all the good
that's in our selves.

My dear old, long tongued sister,
if you will get down on your knees
before this mirror and poke out that
old long tongue of yours and take
just one honest look at its whole foul
terrible, lenth and see just how foul
it is. Look! See! that thick slimy
coat upon it, for years your neigh-
bors have been smelling the rotten-
ness of hell upon your foul breath,
and all the time you poor deluded
soul you have fondly believed your-
self to be in a healthy spiritual con-
dition. Get down on your knees be-
fore this mirror of pure, holy and
divine truth, see yourself as you
are, see yourself as God sees you,
see your self as all your neighbors
see you, and you will draw that old
long, forked defiler back into your
mouth and keep it between your teeth
forever and forever more.

God help us all to treat our neigh-
bor with Christian kindness and to
speak only the word, that will bless
and help him along life's way. And
last of all looking into this blessed
mirror we see heaven, Christ and our
beloved dead waiting for us up there
above the shadows, beyond the reach
of pain, and there the soft hand that
was nailed to the tree will wipe all
tears away.

Labor Leader Becomes Socialist.

J. Luther Langston, local labor lead-
er, declared himself in favor of so-
cialism Friday morning. He claims
that in taking this move he is mere-
ly in accord with the general ten-
dency of unionism during the past few
years—"to punish its enemies and re-
ward its friends." In announcing his
attitude, Langston directs a complaint
at the governor on account of his at-
titude in the recent carmen's strike,
claiming that he called out troops to
"shoot him and his kind down, to de-
feat them in their struggle at that
time."

He maintains that the salvation of
the people lies only in socialism, and
the election of governors from that
party because he believes that all
governors from the present parties
will look upon matters just as does
Governor Cruce.

THE PEOPLE ALL

In Chorus Cried, Give Us Newbro's
Herpicide.

This word of late has been in every-
one's mouth, and many are wondering
what the word signifies, though no one
has yet been found, who will deny that
NEWBRO'S HERPICIDE does the work.
Well, for the information of thousands of
people who like to know all about a good
thing, we would say that HERPICIDE
means, a destroyer or killer of "Herpes."
Now "Herpes" is the family name of a
disease caused by various vegetable pa-
rasites. A similar microbe causes dan-
druft, itching scalp, and falling hair; this
is the microbe that NEWBRO'S HERPI-
CIDE promptly destroys; after which the
hair grows. Sold by leading druggists.

DANGER IN DELAY.
Kidney Diseases Are Too Dangerous for Ada People to Neglect.
The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Help the kidneys with the safe and reliable remedy, Doan's Kidney Pills, which has cured people right here in this locality.

J. E. Womble, Main St., Sulphur, Okla., says: "For four or five years I was bothered a great deal by too frequent passages of the kidney secretions and a stiffness in my back. I tried one remedy after another, but until I procured Doan's Kidney Pills a few months ago, nothing brought me permanent relief. Since taking the contents of two boxes of this preparation, my health has been better and the kidney secretions have been regular in passage."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
Remember the name—Doan's—and take no other. 26
